

## Financial Institutions

The Financial Institutions Group has grown to 30 lawyers representing over 250 banks across the country. The group prides itself in providing to banks the same efficient, experienced and responsive service that its banking clients provide to their customers. As a result, we are a national leader in bank M&A deals the past 5 years. We also have one of the largest groups of regulatory attorneys in the country serving regional and community banks in regulatory enforcement, workout, restructuring and compliance matters.
