Barack Ferrazzano is proud to be one of the sponsors of the CURE 20th Annual Chicago Benefit, held on Monday, October 15, at the Aon Ballroom at Navy Pier. Citizens United for Research in Epilepsy will host an evening of musical celebration, recognizing 20 years of impact and emerging discoveries in the mission to find a cure for epilepsy. This year's performers include Rock & Roll Hall-of-Famers Eddie Vedder and Nils Lofgren and star of Chicago's Hamilton production, Miguel Cervantes. The benefit will include live performances as well as an exciting online auction of items, beginning October 9th. Don't miss the opportunity to celebrate 20 years of CURE's progress in the epilepsy research community and support the search for a cure.
