Benchmark Litigation

Now in its 11th year of publication, *Benchmark* exclusively covers the litigation and disputes market in North America, covering the US, Canada and Mexico. The original publication, *Benchmark Litigation* – the definitive guide to America’s leading litigation firms and attorneys – is the only publication to focus exclusively on U.S. litigation. Since the brand’s inception in 2008, which then focused solely on the U.S. commercial litigation market, the *Benchmark* line of publications now includes coverage of the Canadian and Mexican litigation markets.
