

Ameex Technologies Corporation Sale to Perficient, Inc. (Nasdaq: PRFT)

10.11.2022 | FIRM NEWS

BFKN's **Corporate & Securities Group** served as legal counsel, together with Indian legal counsel, in the sale of Ameex Technologies Corporation (Ameex), an approximately \$19 million revenue digital experience consultancy headquartered in Schaumburg, IL, with offshore operations located in Chennai, India, to Perficient, Inc. (Nasdaq: PRFT), the leading global digital consultancy. Ameex CEO and Cofounder Damodaran (Dan) Venkatesan and CTO and Cofounder Ranga Srinivasan join Perficient in key leadership roles.

"We're thrilled to continue to strengthen our global delivery capacity, enhance our digital capabilities and expand further within India with the strategic acquisition of Ameex Technologies," said Chairman and CEO Jeff Davis. "More than 400 skilled global professionals are joining Perficient and bringing their award-winning agile software development, testing and support experience capabilities to the team."

BFKN's legal team was led by partner **Robert J. Morrow**, with assistance from associate **Victoria Rusanova Cordiak**.
