

# Business Law 101 — What You Should Know about Banking Law

9.11.2023 | MEDIA MENTION

*BFKN Press Release*

BFKN **Financial Institutions Group** partner and Regulatory Section Leader **John M. Geiringer** recently joined his colleagues from the American Bar Association's Banking Law Committee for a new ABA Business Law Today video titled, *Business Law 101 — What You Should Know about Banking Law*. They described various aspects of the U.S. banking system, discussed the complexities surrounding the overlapping regulatory agencies, and explained key aspects of the field. Throughout their conversation, Geiringer and his colleagues conceptualized how banks' unique role in the U.S. economy means that banking law involves "a different kind of lawyering."
